

**GREK S-Aab. Beginning Greek (CRN: 31228)**

*Ana Galjanic BA, Doctoral Candidate in the Classics, Harvard University*

Designed for students with little or no previous ancient Greek who are seriously interested in making quick progress in the language, this course covers all basic grammar and offers considerable practice in reading prose. Prospective students should learn the alphabet before the first meeting. They may contact the instructor through the Summer School Dean's Office to obtain a copy in advance.
